Call for Paper

Student Papers

Technical papers are invited from student groups for presentation in the convention. Students are encouraged to present their work involving innovative and creative ideas in application of Computer, Information, and Communication Technology, Information Management systems, Embedded systems or related areas. The paper to be submitted should include the description, objective of the work, the design and implementation and the implemented results. The papers can be based on project work carried out as part of course curriculum or skill development. A certificate from their institution regarding the bona fide of the work should accompany the paper.

R&D Papers

Full length technical papers based on original research and development work, implemented case studies are invited in the areas Cloud Computing, Virtualization, Grid and Cluster Computing, Distributed Computing, Pervasive Computing, Computer Networks, Sensor and Adhoc Network, Intelligent Agents and Expert Systems, Data Mining and Data Warehousing, Image and Text processing, Soft Computing Applications.

Papers should be written in IEEE format and a copy in pdf file type has to be submitted for technical review. The paper should contain actual work carried out by the authors, not published elsewhere. Authors are fully responsible for any part of the text that has been borrowed from other sources, and cite the references to the source, obtain authorization for publishing as necessary.

Once the paper is selected by the technical review committee, authors will be intimated to incorporate changes as recommended by the reviewers and send the full length paper in Microsoft word document 2003 compatible file type (camera ready version) for publication.

- **Papers selected for presentation shall be will sent to CSI Journal for review & publication, and a few best quality papers will be considered for review and publication in international journals.**
- **Authors of selected papers are required to register for the event and present their work. Only registered author's paper will be considered for publication.**
- **Authors are requested to send their papers as attachments in e-mail to csi.cvrce.it@gmail.com with a subject heading "Student Paper" or "R&D Paper". Please mention each authors name, designation, organization, e-mail-id and contact number in the text of the e-mail.**

Important Dates:	Participant Type Registration Fee (INR)	DD to be made in favor of "C V Raman College of Engineering – Student BR. – CSI", payable at Bhubaneswar. Completed Registration with DD to be sent to Dr. R. Misra, Professor and Head, Dept of IT, C.V.Raman College of Engineering, Bidyanagar, Mahura, Janla, Bhubaneswar-752054. Registration form available at http://cvrqi.edu.in/
Last Date for Full Paper Submission: 14-Jan-2012	Students 250.00	
Notification of Acceptance : 04-Feb-2012	Academicians 300.00	
Submission of Camera Ready Paper : 11-Feb-2012	Industry participants 600.00	
Registration : 01-18, Feb-2012	CSI Student members 200.00	
Convention Dates : 05-07, Mar-2012	Other CSI members 250.00	
	Foreign Participants 20.00 (USD)
